*We at Islander Motor Camper Conversions take great pride in our expertise in fitting out our quality range of campervans.*

*The Islander range of campervans offer a cost effective, drive like a car, form of touring our great country.*

## THE BEST KEPT SECRET UNDER DOWN UNDER

\* For fun and freedom on four wheels, the Islander two berth campervan is the perfect vehicle to commence your great touring adventure. The Islander range of campervans are surprisingly spacious and offer a great deal of comfort.

\* Most Islander campervans are under five metres in length, allowing care free driving and parking.

\* The Islander campervans simplicity and ease of use makes it a popular choice amongst a growing group of travellers.

\* Islander Motor Camper Conversions offer two main designs as standard for our extensive range of campervans, we also offer the option to custom design your own layout.

\* At Islander, we believe that you, the customer, has the choice.

All the luxury, when it counts.

\* At Islander we pride ourselves on our commitment to safety. All of our campervan range are fitted with an earth leakage circuit breaker and come with both electrical and gas certification.
