

Huge price saving in new model Slide on Campers!!!!!!

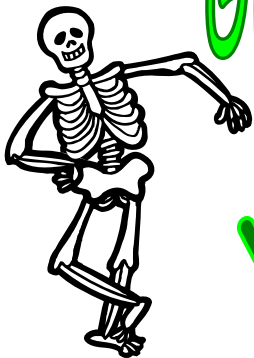

Islander Campers has announced the release of two new slide on camper concepts. The new models include both the **Bounty** and the **Skeleton**.

The **Bounty** is an Entry Level slide on camper that can save the Buyer thousands in that some of the frills and luxuries have been removed. The **Bounty** is a fully functional Slide on camper with all the basic features to allow immediate camping i.e. 3 way fridge, cooker, hydraulic legs, mattress, cupboards, water tank & plumbing, soft furnishings etc.

For those who want to do more themselves The **Skeleton** is a base model shell that permits full customisation by the buyer. With the **Skeleton** the client gets all the skill, experience, fun and cost saving of designing and fitting their own interior.

For the DIYers the **Skeleton** represents a breath of fresh air in the Australian market.
